

96-port fiber optic patch panel brand

Preview

FHU(R) adapter panel is made of SPCC material and pre-loaded with LC adapters. Buy HellermannTyton Connectivity 96 Port LC, Duplex Fibre Optic Patch Panel, 1 U FBPDBKL-LCMMQD-24VF1. Free Next Day Delivery available. The product is primarily used with standard 19-inch cabinets or racks. Unisol 96 Port Wall Mount Fiber Optic Patch Panel is a high capacity, space saving solution engineered to deliver exceptional fiber management, protection, and scalability in telecommunications, data centers, and industrial networking environments. 4 24 fiber LC-MTP Elite Single-mode Low Loss MTP Cassettes with a total of 96 LC (48 Duplex LC) fiber ports in front and 4 Loss Optimized MTP Elite (24 Fiber Connector) Male/Pinned rear ports. Designed for use in data centers and telecom rooms, this panel integrates up to 4 modular cassettes to offer up to 96 LC fiber. Cable clamps on the inner surface for fixing cables. Fixed type Splice tray to access pigtails available, which is designed with plexi glass top cover & PC material.

Designed for use in data centers and telecom rooms, this panel integrates up to 4 modular cassettes to offer up to 96 LC fiber connections in a compact 1U height. The front houses LC duplex

Unisol 96 port wall mount fiber optic patch panel for secure, high-density fiber management in tight spaces. Ideal for telecom, data, fth, and industrial networks.

APPLICATION FibrePlus 1RU 19-inch fiber optic patch panels have been designed to optimize both the internal fiber management and add greater fiber density, constructed from mild steel with a black
