

A well-known cable tray manufacturer in Singapore

Article Overview

Singapore hosts a variety of reputable cable tray manufacturers and suppliers offering industrial, commercial, and specialized cable management solutions.

Leading Cable Tray Manufacturers and Suppliers

- o RS Singapore - Offers a wide selection of cable trays from brands like Cablofil International, Legrand, and StarTech.com, including ladder, wire mesh, and perforated trays suitable for industrial, commercial, and residential applications. They provide accessories such as cable markers and binders, with streamlined online ordering and delivery services .
- o Ferrotech Far East Pte Ltd - Supplies a comprehensive range of cable trays including perforated, ladder, FRP, and wire mesh trays. They cater to industries such as oil and gas, power, desalination, shipbuilding, food, and pharmaceutical sectors .
- o Foresight Metal Engineering Pte Ltd - Specializes in metal cable trays, trunkings, and ladders for commercial and industrial projects. They offer customized solutions under their FME brand and have extensive experience in delivering high-quality cable support systems .
- o AE Hub - Provides metallic cable support systems including cable trays, ladders, trunking, and wire mesh basket trays. Their products comply with IEC 61537, NEMA VE-1, and SS249 standards, and are available in materials such as stainless steel, aluminum, and galvanized steel .
- o United U-Li Projects Pte Ltd - Offers a full range of cable trays, trunkings, ladders, conduits, and assembly systems for diversified industrial projects. They focus on high-quality solutions for Singapore-based projects .
- o Wanco Electric Pte Ltd - Manufactures perforated steel cable trays with various construction types, including standard and returned flange designs. They provide multiple material options such as stainless steel, aluminum, FRP, and hot-dipped galvanized steel .
- o Vorel - Supplies cable trays designed for structural and mechanical support in industrial facilities, marine, oil & gas, and data centers, ensuring compliance with international standards like IEC .
- o Ackron International - Designs and manufactures cable ladders and trays for industries including marine, oil & gas, offshore, construction, and power plants .
- o Lim Kim Hai Electric - Distributes cable trays and ladder systems for light and heavy cable support, suitable for instrumentation, commercial, and industrial applications .
- o Voltec / Takaso Industries Singapore - Offers premium cable trunkings, trays, ladders, conduits, and C-channels, focusing on innovative solutions for construction and infrastructure projects .

Considerations When Choosing a Manufacturer

- o Material and Finish: Options include stainless steel, aluminum, mild steel, hot-dipped or electro-galvanized, and epoxy-coated trays.
- o Tray Type: Ladder, perforated, wire mesh, FRP, trough, or basket trays depending on load and environment.

A well-known cable tray manufacturer in Singapore

- o Standards Compliance: Ensure products meet IEC, NEMA, or local Singapore standards.
- o Load Capacity and Size: Match tray dimensions and strength to cable volume and weight.
- o Industry Requirements: Some manufacturers specialize in sectors like oil & gas, marine, or data centers, which may require corrosion-resistant or heavy-duty trays. These manufacturers provide both standard and customized solutions, making it easier to select cable trays that meet specific project requirements in Singapore.
