

Cable tray 7-shaped bracket wall mounting price

Article Overview

The price of a 7-shaped cable tray wall mounting bracket typically ranges from \$10 to \$50 per piece, depending on material, size, and finish.

Price Overview

7-shaped or L-shaped cable tray wall brackets are available in steel, stainless steel (SS316), or corrosion-resistant FRP materials, with finishes like electro zinc plating or galvanization for durability and corrosion protection . The price varies based on:

- o Material: Steel brackets are generally less expensive, while stainless steel or FRP options cost more due to corrosion resistance and fireproof properties .
- o Size and Load Capacity: Larger brackets or those designed for heavy-duty cable trays command higher prices.
- o Finish: Hot-dip or sendzimir galvanization and electro zinc plating increase cost but improve longevity .

Typical Price Range

- o Standard steel 7-shaped brackets: \$10-\$20 per piece
- o Stainless steel or FRP brackets: \$25-\$50 per piece
- o Bulk or wholesale orders: Prices may be lower per unit, especially for large quantities

Where to Buy

- o Amazon: Offers electro zinc plated L-shaped brackets suitable for wall mounting, with prices starting around \$10-\$15 per piece .
- o Alibaba: Wholesale suppliers provide CE-certified steel, SS316, or FRP brackets, often with customization options and bulk discounts .
- o Specialty suppliers: McMaster-Carr and Kable Kontrol provide industrial-grade mounting brackets with fast delivery, though prices may vary based on specifications .
- o European suppliers: Ekabel24 offers hot-dip or sendzimir galvanized wall brackets for professional installations, suitable for industrial and commercial projects .

Additional Considerations

- o Ensure the bracket meets EN 61537 standards for cable tray installations.
- o Check load capacity to support the intended cable tray and cable weight.

Cable tray 7-shaped bracket wall mounting price

- o Consider corrosion resistance if used in outdoor or humid environments.
- o Bulk purchases often reduce per-unit cost and may include shipping discounts. By comparing suppliers and materials, you can select a 7-shaped wall bracket that balances durability, compliance, and cost for your specific installation needs .
