

Cameroon Outdoor Optical Cable Special Offer

Article Overview

Outdoor network and optical cables, including Cat6 and fiber options, are available in Cameroon at competitive prices with delivery and warranty options.

Available Products and Offers

- o NowTech Cameroon offers LAN-PRO Cat6 SFTP 500m outdoor cables in blue, designed for superior outdoor performance at competitive prices. These cables are suitable for both outdoor and indoor use, providing reliable connectivity and protection against weather damage .
- o UTP HST Cat6 305m outdoor cable is also available, featuring foil shielding to protect against environmental factors. NowTech provides fast delivery across Cameroon and payment upon delivery .
- o ZimCompass Cameroon lists outdoor and indoor Ethernet cables with flexible lengths, priced at approximately 250 CFA per meter, suitable for network and camera installations .

Fiber Optic Options

- o FIBER CONNECT by Camtel provides fiber optic services and equipment for home and business use. While primarily a service platform, it also offers installation and equipment for fiber connections .
- o For bulk procurement or government projects, GlobalTenders lists Cameroon optical fiber cable tenders and contracts, including supply and installation opportunities for large-scale projects .

Key Considerations

- o Cable Type: Choose between Cat6 outdoor S/FTP cables for Ethernet networks or fiber optic cables for high-speed data transmission.
- o Length and Shielding: Outdoor cables often come in 305m or 500m rolls with shielding to resist weather and interference.
- o Pricing and Delivery: Local suppliers like NowTech offer competitive pricing with delivery across Cameroon and payment upon receipt.
- o Bulk Procurement: For large-scale projects, checking tender platforms like GlobalTenders can provide access to government contracts and special offers. For the best deals, it is recommended to compare suppliers such as NowTech and ZimCompass, and consider tender opportunities for bulk purchases through GlobalTenders. This ensures both cost efficiency and access to high-quality outdoor optical and network cables in Cameroon.
