- o Phone Support: Direct assistance for shipment tracking, fees, or service details .

Additional Notes

If you are looking for imported distribution boxes or specialized electrical distribution equipment in Grenada, suppliers offer customized, weatherproof enclosures for high-voltage cable systems, including stainless steel boxes with IP66/IP67 protection . While these are different from UPS package distribution boxes, they are relevant for industrial or electrical distribution needs. For shipping items to Grenada, services like Stealsz & Deals provide logistics solutions, including ocean and air shipping, with tracking and delivery updates to Grenada addresses . This can complement UPS services for international shipments. In summary, the primary UPS distribution box in Grenada is at 1300 Sunset Drive, offering package pickup, payment options, and customer support, while additional logistics and specialized distribution boxes are available through local suppliers.
