

How to purchase electrical distribution box covers

Article Overview

Electrical distribution box covers are widely available at major home improvement stores, online marketplaces, and specialized electrical supply retailers.

Major Retailers

- o Home Depot: Offers a variety of electrical panel covers from brands like Eaton, Leviton, and Square D, including UL-listed indoor load center covers and surface-mount options. You can order online for home delivery or in-store pickup .
- o Lowe's: Stocks metal, plastic, and PVC electrical box covers, including weatherproof and decorative options. They provide both online ordering and local store pickup .
- o Ace Hardware: Carries a wide selection of box covers, including weatherproof, die-cast metal, and PVC covers for single or multi-gang boxes, with fast in-store pickup .
- o Tractor Supply Co.: Offers utility box covers, steel and plastic options, and weather-resistant covers suitable for outdoor use .

Online Marketplaces

- o Amazon: Features hundreds of options, including functional breaker panel covers, decorative covers, filler plates, and waterproof distribution boxes. Many products include customer reviews and Prime shipping .

Specialized Electrical Supply

- o Graybar: Provides a professional selection of electrical box covers, floor box covers, and weatherproof covers, along with accessories for installation and mounting .
- o Main Electric Supply: Offers a wide range of electrical boxes and covers, including gang boxes, masonry boxes, and weatherproof options for commercial and residential applications .

Tips for Choosing the Right Cover

- o Check Compatibility: Ensure the cover matches your panel type, size, and number of spaces or circuits.
- o Material Selection: Choose metal for durability, plastic for lightweight or decorative purposes, and weatherproof options for outdoor installations.
- o UL Listing: Look for UL-listed covers for safety compliance.
- o Installation Needs: Some covers include gaskets, mounting hardware, or are designed for flush or surface mounting. By exploring these retailers and online platforms, you can find a suitable electrical distribution box cover that meets your safety, functional, and aesthetic requirements.
