

Huijue Fiber Optic Cable Manufacturer

Article Overview

Huijue Fiber Optic Cable is produced by Shanghai Huijue Network Communication Equipment Co., Ltd., a leading Chinese telecom and communication equipment manufacturer.

Shanghai Huijue Network Communication Equipment Co., Ltd., established in 2001-2002, is headquartered in Shanghai, China, with a production base in Jiangsu Province covering over 35,000 square meters . The company specializes in FTTX products, optical fiber components, outdoor cabinets, and data center solutions, serving telecom operators such as China Telecom and China Unicom, as well as international markets including the USA, Europe, the Middle East, Southeast Asia, and Australia . The company operates multiple assembly workshops for sheet metal, patch cords, and fiber optic cables, providing end-to-end services from design to production. It maintains strict quality control and has obtained certifications such as ISO 14001, ISO 45001, CE, and RoHS . Additionally, Hai'an Guangyi Communication Equipment Co., Ltd., a subsidiary invested by Shanghai Huijue, focuses on large-scale production of optical fiber connectors and PLC splitters, supporting the fiber-to-the-home (FTTH) market with high-quality, low-loss, and reliable optical devices . In summary, Huijue Fiber Optic Cable originates from Shanghai Huijue Network Communication Equipment Co., Ltd., a reputable Chinese manufacturer with extensive experience in fiber optic and telecom solutions.
