

Article Overview

Niedax CMS Ireland and Excel Electric Group are leading manufacturers of energy-efficient cable trays in Ireland.

Niedax CMS Ireland

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide . They provide Quick Fit Cable Management Systems designed to save time and reduce costs for electrical contractors. Their solutions are suitable for industrial, commercial, and data center projects, with a focus on efficient cable routing and energy-saving designs. Niedax offers expert support from design to installation, ensuring that the right product is selected for each project .

Excel Electric Group

Excel Electric Group, based in Bluebell, Dublin, has been active in Ireland since 1974 and specializes in in-house manufacturing of cable support systems, including trunking and 25 mm cable trays . Since joining the Niedax Group in 2019, Excel Electric collaborates with Niedax CMS to provide market-specific, energy-efficient cable trays for both wholesale and project-based customers . Their product range includes over 5,000 articles, including custom solutions tailored to Irish and UK standards .

Additional Suppliers

While Niedax and Excel Electric are manufacturers, other suppliers such as Electrical Wholesaler Ireland and Mainscourt Electrical Suppliers offer a wide selection of cable trays for domestic and industrial use . These products comply with BS 61537:2007 and BS EN 61537 standards, ensuring safety and durability, though they primarily act as distributors rather than manufacturers .

Summary

For energy-saving and project-specific cable trays in Ireland, Niedax CMS Ireland and Excel Electric Group are the primary manufacturers, offering both standard and custom solutions with a focus on efficiency, compliance, and professional support . Distributors like Electrical Wholesaler Ireland and Mainscourt can provide additional options for immediate supply and smaller-scale projects .
