

Article Overview

Leading manufacturers of heavy armored outdoor fiber optic cables include JXL, OMC, The Fiber Cable (YRTFIBER), AFL, and OptoSpan, offering steel or composite armored solutions for harsh environments.

Key Manufacturers and Offerings

JXL produces a wide range of armored outdoor fiber cables, including tight-buffered, loose-tube, direct-burial armored, and ribbon armored variants. Their products feature corrugated steel tape, steel wire, or composite armor, suitable for direct burial, duct runs, and industrial or coastal installations. JXL emphasizes product testing, IEC/ITU-T certifications, and customization options for pre-terminated assemblies and local technical support. OMC offers armored cables such as the GYFHTY53 and GYXTP series, featuring corrugated steel tape, steel wire reinforcement, and HDPE outer sheaths. These cables provide high tensile strength (up to 1200 N), water-blocking, and low signal loss (

Outdoor Fiber Optic Cable Series ShengWei offers a complete range of outdoor optical cables including GYXTW (central tube),

JXL produces different armored fiber optic cable including single & multiple mode, light & heavy armored, Multi-core. With Ex-Factory

ZMS armored fiber optic cables include indoor fiber optic, outdoor fiber optic, single-mode optical fiber armada, armored multimode
