

Article Overview

Several companies in Nepal supply fiber optic patch cords, including Technovate International, Eman Communications, Insight Infosys, and Dtech Trading.

Key Suppliers

1. Technovate International Pvt. Ltd. Established in 2017, Technovate provides end-to-end fiber optic products and solutions to ISPs and Cable TV operators in Nepal. They import high-quality fiber optic equipment from international manufacturers and offer after-sales support, ensuring reliability and professional service . Website: technovate.com.np 2. Eman Communications Eman Communications supplies both multimode and single-mode fiber optic patch cords in simplex and duplex configurations. They offer LC to LC UPC patch cords with diameters of 3.00mm and lengths of 3m and 5m. Their products cater to ISPs, IT firms, and hydropower companies . Website: emancommunications.com.np 3. Insight Infosys Insight Technology (P) Ltd. is an online ICT store in Nepal offering a wide range of fiber optic patch cords and accessories. They provide convenient online ordering for businesses and individuals looking for reliable fiber optic solutions . Website: insightinfosys.com 4. Dtech Trading Dtech Trading offers high-speed multimode fiber patch cords, such as LC UPC to LC UPC duplex multimode OM2, optimized for 10 Gigabit performance. They provide detailed product specifications and online ordering options . Website: dtechtrading.com.np 5. Daraz Nepal Daraz.com.np is an online marketplace where a variety of fiber optic patch cords can be purchased at competitive prices. This platform is suitable for both bulk and individual orders, offering convenience and delivery across Nepal . Website: daraz.com.np

Considerations When Choosing a Supplier

- o Product Type: Single-mode vs. multimode, simplex vs. duplex, connector type (LC, SC, ST, etc.)
- o Length and Diameter: Common options include 3m and 5m lengths with 3mm diameter
- o Quality and Certification: Ensure the supplier provides laser-optimized fibers and industry-standard certifications
- o After-Sales Support: Reliable technical support and warranty services are important for long-term use These suppliers provide a range of fiber optic patch cords suitable for telecommunications, IT infrastructure, and industrial applications in Nepal.
