

North Asia switchgear distribution boxes in stock

Article Overview

North Asia has multiple suppliers offering in-stock and customizable switchgear distribution boxes, including DOHO Electric, Gaobo, and Asiatic Group, with options for low-voltage, high-voltage, and IP-rated enclosures.

Key Suppliers and Products

DOHO Electric is a major manufacturer in China providing a wide range of power distribution boxes suitable for solar, wind, data centers, communications, and new energy vehicles. They offer both standard and custom solutions, with products tested and certified by UL, CSA, TUV, and CE, ensuring high quality and durability. DOHO supports OEM/ODM services and can quickly develop products to meet specific requirements, with 24/7 online support available . Gaobo Electric specializes in custom switchgear and power distribution cabinets, including PLC control cabinets, high-voltage cabinets, low-voltage cabinets, and switch electric cabinets. Their products are quality-assured and widely used in industrial applications, making them a reliable option for North Asia buyers seeking ready-to-ship or tailored solutions . Asiatic Group offers HENSEL distribution boards and ENYCASE cable junction boxes, designed for harsh environments with IP65 to IP67 protection, UV resistance, and flame-retardant materials. Their products are suitable for both indoor and outdoor installations, with customizable options for industrial and commercial applications, including small distribution boards up to 63A and larger systems up to 250A . Global Sources provides a curated list of verified wholesale suppliers and manufacturers of power distribution boxes in Asia. Buyers can access information on MOQ, product categories, certifications, and export capabilities, enabling quick sourcing of in-stock or bulk distribution boxes .

Product Features to Consider

- o Voltage Rating: Low-voltage (up to 1000V) and high-voltage cabinets available.
- o Protection Level: IP65-IP67 for dust and water resistance.
- o Material: Thermoplastic polystyrene, polycarbonate, or stainless steel for durability.
- o Customization: OEM/ODM options for specific industrial or commercial requirements.
- o Certifications: UL, CE, TUV, CSA for international compliance.

Recommendations

For immediate stock availability in North Asia, contact DOHO Electric or Gaobo for standard or semi-custom switchgear boxes. For highly durable, outdoor, or industrial-grade enclosures, Asiatic Group's HENSEL and ENYCASE products are recommended. For bulk procurement or wholesale sourcing, Global Sources provides a verified supplier network to compare options and place orders efficiently.
