

Palau hot-dip galvanized cable tray unit price

Article Overview

Hot-dip galvanized cable trays typically range from \$25 to \$150 per 2-6 meter section, depending on type, size, and supplier, with additional shipping costs to Palau.

Estimated Pricing

- o Ladder-type HDG cable trays (standard 2.4 meters): approximately \$25-\$60 per tray depending on width and load capacity .
- o Trunking or solid HDG cable trays (custom sizes 50-1000 mm width, 2-6 meters length): prices range from \$50-\$150 per section .
- o Fittings and accessories (couplers, bends, tees): typically \$5-\$30 per piece, depending on size and complexity .

Factors Affecting Price

- o Material and Thickness: Thicker steel or higher-quality galvanizing increases cost .
- o Size and Type: Wider or deeper trays, or specialized trunking, are more expensive .
- o Supplier Location: Most HDG trays are manufactured in China, Vietnam, or India, with shipping to Palau adding freight and import duties .
- o Customization: OEM or custom lengths and designs can increase the price .
- o Market Volatility: Steel and zinc price fluctuations can affect final costs .

Sourcing in Palau

- o Local distributors may be limited; importing from Asia-Pacific suppliers is common.
- o B2B platforms like Made-in-China or supplier websites (e.g., Jiangsu Holdee Electric Co.) allow direct inquiries for quotes and shipping to Palau .
- o Consider bulk orders to reduce per-unit shipping costs.

Recommendation

For accurate pricing in Palau, it is best to contact regional suppliers or international manufacturers directly, specifying the type, size, and quantity of cable trays required. This ensures you account for shipping, customs, and local handling fees. By considering these factors, you can estimate a budget range of \$25-\$150 per tray section, plus shipping, for hot-dip galvanized cable trays in Palau .
