

Price list for fiberglass cable trays in Nigeria

Article Overview

Fiberglass cable trays in Nigeria typically range from ₦9,000 per unit, with prices varying by size, type, and supplier.

Price Overview

- o On online marketplaces like Jiji.ng, standard cable trays are listed from ₦9,000, though this may include both fiberglass and other materials depending on the seller .
- o Trade directories such as TradeFord.com provide access to multiple fiberglass cable tray suppliers and manufacturers in Nigeria, allowing buyers to request quotations based on size, length, and quantity .

Supplier Options

- o Ned-Tech supplies a wide range of cable trays, including perforated, ladder, and solid-bottom types. While their primary focus is galvanized steel, aluminum, and stainless steel, they also provide fiberglass options for industrial and telecom projects .
- o TradeFord Nigeria lists multiple fiberglass cable tray manufacturers and exporters, including wholesalers who can supply both small and bulk orders. Buyers can submit RFQs to receive competitive pricing tailored to their project needs .

Factors Affecting Price

- o Size and Dimensions - Larger trays (e.g., 300x50mm, 3 meters) cost more than smaller units.
- o Type - Ladder, perforated, or solid-bottom fiberglass trays have different manufacturing costs.
- o Quantity - Bulk orders often attract discounts.
- o Delivery and Location - Prices may vary depending on shipping within Nigeria or to neighboring countries.

How to Get Accurate Pricing

- o Contact suppliers directly via TradeFord or Jiji.ng to request current quotations.
- o Specify material (fiberglass), dimensions, and quantity to receive precise pricing.
- o Compare multiple suppliers to ensure competitive rates and delivery options. Fiberglass cable trays are preferred for corrosion resistance, lightweight handling, and durability, making them suitable for industrial, telecom, and energy projects across Nigeria. By sourcing through verified suppliers, you can ensure quality and timely delivery for your project .
