

Price list of stainless steel electrical distribution boxes in Mauritius

Article Overview

Stainless steel electrical distribution boxes in Mauritius range from approximately MUR 3,500 to MUR 12,000 depending on size, module capacity, and features.

Local Supplier Options

Electrical.mu offers a variety of distribution boxes suitable for residential, commercial, and industrial use. While most of their standard enclosures are plastic, they also provide high-quality metal options with features like earth terminal blocks, smoked doors, and modular rows ranging from 4 to 72 modules. Prices vary depending on the number of modules and type of cabinet, with smaller cabinets starting around MUR 3,500-5,000 and larger cabinets potentially exceeding MUR 10,000 for industrial-grade models . Desertcart Mauritius lists outdoor stainless steel electrical enclosure boxes with IP65-rated waterproof and dustproof protection. These boxes are rust-resistant, durable, and suitable for outdoor installations such as solar panels, CCTV systems, and transformers. Prices for these stainless steel boxes typically range from MUR 6,000 to MUR 12,000, including international shipping, import duties, and local delivery . They also come with manufacturer warranties and are fully trackable.

Additional Suppliers

- o Touba-electrical provides a wide range of electrical accessories and distribution boxes, with delivery across Mauritius. While specific stainless steel box prices are not listed online, contacting them directly can provide updated quotations .
- o CMH Mauritius offers high-quality electrical solutions including distribution boards and enclosures. They collaborate with leading brands and can supply stainless steel boxes for commercial or industrial projects, with pricing available upon request .
- o Legrand Mauritius supplies modular and flush-mounting boxes, including metal enclosures suitable for professional installations. Prices depend on module count and configuration .

Key Considerations

- o Module Capacity: Boxes range from small 4-12 module units to large 72-module industrial cabinets.
- o IP Rating: For outdoor use, IP65-rated stainless steel boxes are recommended for weatherproof protection.
- o Warranty: Most suppliers offer 2-year warranties on their enclosures.
- o Delivery: Local suppliers like Electrical.mu and Touba-electrical provide delivery across Mauritius, while Desertcart includes international shipping and customs clearance in the price. For the most accurate pricing, it is recommended to contact suppliers directly with your required specifications, including module count, indoor/outdoor use, and any additional features.
