

Article Overview

Ladder cable trays in New Zealand are available from multiple suppliers, with pricing provided via custom quotations based on size, material, and project requirements.

Key Suppliers and Options

Steel & Tube offers a full range of cable trays and ladders suitable for all cable containment needs. They provide full take-offs from plans through to complete quotations, and their products include BIM-enabled 2D and 3D CAD details for design integration (Steel & Tube) . Equip Supply Ltd stocks Stern Cable Trays, which are durable steel trays designed for commercial and industrial projects. They emphasize easy installation and strong support for electrical and data cabling, and you can request a quote or purchase online (Equip Supply) . Ideal Electrical Suppliers provides a variety of cable trays, including Runnur Solar Cable Trays with high corrosion resistance. They offer multiple sizes and coatings, and you can obtain pricing by contacting their New Zealand-wide stores or online (Ideal Electrical) . FDG NZ carries a comprehensive range of cable trays, ladders, and baskets in pre-galvanized, hot-dip galvanized, or custom-painted finishes. They offer modular, adjustable systems and can provide engineering data and custom design services for your project. Quotes are available upon request, tailored to your specific cable support requirements (FDG NZ) .

How to Obtain a Quote

- o Determine your project requirements: Include tray type (ladder, basket, or solid-bottom), dimensions, material, finish, and cable load capacity.
- o Contact suppliers directly: Use the websites or local store contacts to request a custom quotation.
- o Provide plans or specifications: Many suppliers, like Steel & Tube and FDG NZ, can generate a full take-off and quote based on your project drawings.
- o Compare options: Consider material, finish, delivery time, and installation support when evaluating quotes. By reaching out to these suppliers with your project details, you can receive accurate pricing and availability for ladder cable trays in New Zealand.
