

Price of cable tray turning pulley

Article Overview

Cable tray turning pulleys typically range from \$10 to \$50 per unit, depending on material, size, and quantity.

Online Retail Prices

- o Amazon US offers a 2-piece set of cable tray rollers for around \$15-\$20, made of nylon and stainless steel, suitable for indoor/outdoor use and corners, with a load capacity of 25 kg per roller .
- o Amazon UK lists a 5-piece heavy-duty cable tray roller set with adjustable clamps for GBP40-GBP50, designed for smooth wire movement in tracks and corners .
- o AliExpress provides individual cable tray pulley rollers at \$10-\$15 per piece, often with free worldwide shipping, adjustable clamps, and suitable for efficient wire guidance .
- o Cabledrumjacks UK stocks industrial-grade cable tray rollers, including corner, suspension, and bridge rollers, with prices starting around GBP20-GBP30 for standard units, and higher for heavy-duty or specialized models .
- o Alibaba lists bulk industrial cable tray pulleys, with prices varying widely depending on material (nylon, steel), load capacity, and order quantity, typically \$5-\$25 per unit for standard pulleys .

Factors Affecting Price

- o Material: Nylon and stainless steel are common; stainless steel pulleys are more durable and slightly more expensive.
- o Load Capacity: Heavy-duty pulleys designed for industrial cables cost more than standard residential or light commercial models.
- o Quantity: Bulk orders reduce per-unit cost, especially from suppliers like Alibaba.
- o Design Features: Adjustable clamps, corner compatibility, and smooth bearings can increase price.
- o Shipping and Location: International shipping or expedited delivery may add to the cost.

Recommendation

For small projects or DIY installations, Amazon or AliExpress options are cost-effective. For industrial or large-scale installations, Cabledrumjacks or Alibaba provide heavy-duty pulleys with higher load capacity and durability. Always check specifications like maximum cable diameter, load rating, and material to ensure compatibility with your cable tray system.
