Dongguan Qingfeng Electrical Machinery Co. specializes in advanced cable equipment for various industries. Meanwhile, it prioritizes product quality, ensuring that all machinery and equipment meet high standards. Concentrate on "drawing, strand" products, do fine and strong, and strive to become "wire, strand" product experts and leaders. Applicable to the production of (fluorine plastic, like FEP, FPA, ETFE, etc.), high temperature resistant wire, very fine coaxial, USB3., established in 2000, is a national high-tech enterprise and a national "little giant" enterprise. The company is an enterprise professionally engaged in R&D and manufacturing of communication cable equipment, new energy cable equipment, power cable. With non-slip treaded covers to optimize slip resistance, the BKRS Walkable Cable Tray ensures your cables get the best defense. We are a long-term commit to the global wire, cable, optical cable and other equipments technology research and development, manufacturing and service as one of the high-tech enterprise.

Qualitative range of KDM electrical cable tray is manufactured with superior quality materials KDM electrical cable tray can be customized Unparalleled and

Industry-leading cable tray factory offering advanced manufacturing technology, comprehensive quality assurance, and customized solutions for all cable management needs. Features state-of-the-art

Dongguan Qing Feng Electrical Machine Factory was established in 2001, and is a high-tech enterprise which specializes in developing and manufacturing wire and cable machinery, such as extruding

Dongguan City Qingfeng Electrical Machinery Co., Ltd is a manufacturer of professional wire and cable equipment, Main Extrusion line, Bunching machine, & Irradiation machine, Cable strands and so

Dongguan Qingfeng Electrical Machinery Co., Ltd. specializes in advanced cable equipment for various industries. we deliver quality solutions globally, backed by a strong R&D team.

For more than 20 years, with rich experience of mechanical and electronic research team and powerful intelligent mechanical processing equipment, reserves and developed constantly, have the most

Shandong Hongfeng Electrical Group Co., Ltd. is a professional cable tray manufacturer in China, committed to providing a variety of solutions for cable tray support systems. The company is situated

Since 2000, we've been at the forefront of technology, specializing in the research, development, and manufacturing of cutting-edge equipment for wire, cable, and optical fiber industries.

Qingfeng Cable Tray Manufacturing

The company is an enterprise professionally engaged in R&D and manufacturing of communication cable equipment, new energy cable equipment, power cable

We have over 20 years manufacturing experience, more than 15 years own-self factory manufacturing history and 10 years export experience. Up to now our

We are a long-term commit to the global wire, cable, optical cable and other equipments technology research and development, manufacturing and service as one of the high-tech enterprise.

Find company research, competitor information, contact details & financial data for Guangdong Qingfeng Electric Technology Co., Ltd. of Zhongshan, Guangdong. Get the latest business insights from Dun &

NewReach Cable Tray Solutions, with 15 years of expertise in manufacturing cable trays, provides global clients with simple, reliable, one-stop solutions. Follow Us by

Understanding the intricate world of cable tray manufacturing reveals the sophisticated processes, quality standards, and technical expertise required to produce these essential electrical

Ajay Industrial Cable Trays - Durable & Safe Electrical Management Solutions Ajay Industrial Corporation Limited (AICL) is one of the leading cable tray

Start designing with cable trays by Chalfant Manufacturing today! Find out more about our products and systems for a wide range of applications.
