

Quote from Italian secondary distribution box manufacturers

Article Overview

DepoPack, LIC Packaging, and Storopack are leading Italian manufacturers offering secondary distribution boxes for pharmaceuticals and commercial products.

Key Manufacturers

DepoPack specializes in secondary packaging for pharmaceuticals, including labeling, batch release, and compliant distribution of commercial and investigational medicinal products. They provide tailored solutions for clinical trials, food supplements, and cosmetics, ensuring regulatory compliance and efficient supply chain management (DepoPack) . LIC Packaging focuses on innovative and eco-friendly secondary packaging solutions, particularly for the pharmaceutical industry. Their services include designing and producing secure, efficient packaging that enhances product presentation and ensures safe transport (ensun) . Storopack offers protective packaging solutions, including insulated and secondary boxes suitable for sensitive products. Their systems, such as PAPERplus(R) Shooter3, highlight their commitment to efficiency and innovation in packaging (ensun) .

Additional Italian Packaging Companies

- o Boxmarche: Custom packaging solutions for various industries, including bespoke boxes and displays (ensun) .
- o Gualapack: Flexible packaging solutions for pharmaceuticals, food, and cosmetics, with a focus on sustainable materials (ensun) .
- o PACKAGING IMOLESE: Secondary packaging for home and personal care products, offering reliable production for national and international brands (ensun) .

How to Obtain Quotes

- o Identify your requirements: Specify box dimensions, materials, quantity, and regulatory compliance needs.
- o Contact manufacturers directly: Use their websites or contact forms to request a quote. For example, DepoPack provides tailored solutions and can respond to specific pharmaceutical packaging requests (DepoPack) .
- o Compare services and lead times: Evaluate manufacturers based on customization options, production capacity, and delivery schedules.
- o Request samples: Many companies offer sample boxes to ensure quality and suitability before bulk orders. By reaching out to these manufacturers with detailed specifications, you can obtain accurate quotes and select the best supplier for your secondary distribution box needs.
