

Article Overview

Leading Swedish manufacturers of cable trays and hangers include Wibe Group, Nordic Wire Tray (NWT), Ahlsell, and Jeetmull Jaichandlall, offering robust, customizable, and high-quality cable management solutions.

Wibe Group

Wibe Group manufactures a wide range of cable ladders, cable trays, mesh trays, and wall trunking suitable for commercial, industrial, and offshore applications. Their products are designed for ease of installation and durability, supporting environments from offices and hospitals to chemical plants and offshore wind installations. Wibe's brands include Wibe, Defem, Stago, and Mita, providing versatile solutions for both horizontal and vertical cable routing .

Nordic Wire Tray (NWT)

NWT specializes in wire trays and cable ladders under the X-Tray brand, offering one of the most complete cable management systems in the Nordic region. Their products are customizable to meet unique project requirements, with flexible manufacturing that allows bending, cutting, and shaping of wire trays for specific installations. NWT emphasizes fast installation, high load capacity, and long lifespan, making their solutions suitable for demanding industrial and commercial environments .

Ahlsell

Ahlsell provides a broad selection of cable ladders, trays, and accessories for professional installations. Their products include MP-S ladders made of sendzimir galvanized sheet, available in standard lengths of 3 or 6 meters, and compatible with various mounting systems. Ahlsell focuses on practical installation solutions for offices, schools, and industrial facilities, offering accessories like angle brackets, T-screws, and attachment plates for secure and efficient cable management .

Jeetmull Jaichandlall

Jeetmull Jaichandlall is recognized as a top wire mesh cable tray manufacturer in Sweden, producing trays in various sizes, shapes, and finishes. Their products are durable, impact-resistant, and suitable for heavy loads, with a focus on high-quality finishing and adherence to industry standards. They provide customized solutions for different sectors and maintain modern manufacturing facilities to ensure consistent quality .

Summary

For Swedish cable tray and hanger needs, these manufacturers offer a combination of robust materials, customization, and ease of installation. Wibe Group and NWT are ideal for industrial and high-demand projects, Ahlsell provides ready-to-install solutions for commercial and industrial use, and Jeetmull Jaichandlall specializes in wire mesh trays with tailored specifications. Depending on project requirements, these suppliers can provide both standard and custom cable management systems.
