

Article Overview

Fiber optic cable prices in Switzerland vary by type, length, and specifications, with suppliers offering singlemode, multimode, and specialized cables starting from a few Swiss francs per meter.

Supplier Options and Pricing

o

Volza Switzerland provides a comprehensive database of 338 fiber optic cable manufacturers, with verified export and shipment data. Their platform allows procurement teams to benchmark prices, assess supplier reliability, and identify cost-effective sourcing regions. Pricing depends on cable type, quantity, and delivery terms, and Volza offers tools to accelerate supplier qualification and negotiation .

o

Farnell Switzerland stocks a wide range of fiber optic cables suitable for industrial, commercial, and networking applications. They offer singlemode and multimode cables, patch cables, and assemblies, with pricing available online per unit or meter. Farnell also provides next-day delivery and technical support .

o

CCM Switzerland specializes in high-performance fiber optic cables for indoor, campus, and outdoor installations. They offer customizable solutions, including pre-assembled connectors (LC, SC, E-2000), protective sheathing against rodents and moisture, and cables suitable for FTTH, data centers, and industrial networks. Prices vary based on cable type, fiber count, and installation requirements, with fast delivery from Swiss stock .

o

Distrelec Switzerland stocks a broad selection of fiber optic cables with over 180,000 products in inventory, including singlemode, multimode, and specialty cables. They provide expert advice, next-day delivery, and online pricing per product, making it convenient for both small and large-scale projects .

Key Considerations for Price Quotes

- o Cable Type: Singlemode cables are generally more expensive than multimode due to longer transmission capabilities.
- o Fiber Count: Higher fiber counts increase cost per meter.
- o Outdoor vs Indoor: Outdoor cables with protective sheathing or rodent-resistant jackets are priced higher.
- o Connectors and Assemblies: Pre-terminated cables with LC, SC, or E-2000 connectors add to the total cost.
- o Quantity and Bulk Orders: Larger orders often reduce the per-meter price.
- o Delivery and Lead Time: Swiss suppliers like Farnell and Distrelec offer next-day delivery, which may affect pricing.

Swiss Fiber Optic Cable Price Inquiry

For an accurate price quote, it is recommended to contact suppliers directly through Volza, Farnell, CCM, or Distrelec, specifying the cable type, fiber count, length, and any special requirements. This ensures a tailored quote reflecting current Swiss market conditions and availability.
