

Article Overview

Key manufacturers of protective distribution boxes in Uganda include Electrical Controls & Switchgear Ltd and Arc Control Ltd, both offering high-quality electrical enclosures and switchboards.

Electrical Controls & Switchgear Ltd (ECS)

Located at UMA Show Grounds, Lugogo, Kampala, ECS specializes in metal electrical enclosures and protective distribution boxes. Their products feature polyester epoxy powder paint, welded steel construction, transparent security glass doors, and foamed polyurethane gaskets for high protection against environmental factors. ECS enclosures are designed for easy mounting, reinforced doors, and high durability, making them suitable for industrial and commercial applications .

Arc Control Ltd

Based in Kampala, Arc Control Ltd is an ISO 9001:2015 certified electrical engineering company. They design and manufacture electrical switchboards, MV/HV switchgears, bus ducts, and protective distribution boxes. Their in-house machinery and expert engineering team allow for customized solutions tailored to client requirements, ensuring reliable power distribution and safety .

Additional Notes

While other packaging companies in Uganda focus on corrugated boxes or general packaging, ECS and Arc Control Ltd are specifically equipped to manufacture protective and explosion-proof electrical distribution boxes suitable for industrial, commercial, and utility applications . For procurement, contacting these companies directly via their websites or local offices in Kampala is recommended.
