

Which company makes the best galvanized cable tray support arms in East Africa

Article Overview

Top manufacturers of galvanized cable tray support arms in East Africa include Delta Blue, TDK Solutions Ltd, JSElectromec, and Hutaib Electrical, all offering durable, corrosion-resistant products suitable for industrial and commercial installations.

Leading Companies

Delta Blue (Kenya) provides industry-leading galvanized cable trays and support systems from reputable manufacturers, including structured cabling products from Legrand and Marshall Tufflex. Their products are designed for flexibility, ease of installation, and durability in commercial and industrial environments. TDK Solutions Ltd (Kenya) manufactures a wide range of cable trays locally, including galvanized and powder-coated options. They offer ladder, perforated, mesh, and unperforated cable tray systems, along with accessories, ensuring robust support for power distribution, control, and communication systems across East Africa, including Uganda, Tanzania, and South Sudan. JSElectromec (Tanzania) produces light, medium, and heavy-duty cable trays using pre-galvanized steel. Their locally manufactured support systems are suitable for industrial and commercial applications, providing reliable corrosion resistance and structural integrity. Hutaib Electrical (South Africa, serving Africa) is a prominent manufacturer and supplier of cable trays and accessories, including galvanized, hot-dip, and powder-coated finishes. They offer a comprehensive range of ladder, wire mesh, basket, and perforated cable trays, along with bends, elbows, tees, and reducers. Hutaib Electrical emphasizes premium quality, industrial compliance, and prompt delivery across Africa.

Considerations for Choosing the Best Supplier

- o **Material Quality:** Ensure the support arms are made from pre-galvanized or hot-dip galvanized steel for corrosion resistance in East Africa's varied climates.
- o **Compliance Standards:** Look for adherence to SANS, ISO 9001, or CE standards to guarantee durability and safety.
- o **Product Range:** Companies offering a full range of trays and accessories allow for easier integration and customization.
- o **Local Availability:** Suppliers with distribution networks across East Africa (Kenya, Tanzania, Uganda, Rwanda) reduce lead times and shipping costs.

Recommendation

For high-quality, locally available galvanized cable tray support arms, TDK Solutions Ltd and Delta Blue are excellent choices in Kenya, while JSElectromec serves Tanzania effectively. For broader African coverage
